Dropmore Infant School

ASSEMBLY CERTIFICATE

Reception: Indy, for always being ready to learn and showing enthusiasm

Year 1: Misha, for his progress in phonics

Year 2: Hamdan, for his effort in handwriting

It has been a very busy week here at Dropmore! On Tuesday we had our poetry competition, all the children were very brave and performed well. Our judges Mrs Greenfield and Mrs Sutton found it very difficult to choose the winners. Well done to Harrison, Harper and Diya for winning this year.

On Thursday it was World Book Day! The children were invited to dress as their favourite hero and we had some amazing costumes! The children were treated to a fun day, with a staff performance of Robin Hood in the morning, followed by book sale kindly organised by the PTA. In the afternoon, the children broke into small groups for reading sessions.

A big thank you to all the parents who came along to help throughout the day. Well done to Thomas, Varon and Ava for winning best homemade costume. Well done to Wren, Veronica and Sohani for winning the most original costume. It was very hard to choose and we appreciate all the effort that was made.

As part of their new topic 'My Local Area', Reception have looked at the features of Dropmore school including our pond. There was also much excitement when they found the school on Google Earth! For maths this week, the children have explored how we measure height and enjoyed using metre sticks to measure areas of our playground.

Year 1 have had fun exploring repeating patterns and rhymes with Micheal Rosen's poem *Down Behind the Dustbin*. In maths they have started place value in 50, building 2-digit numbers in 10s and ones. The class have also been learning about how we welcome important visitors in their RE lessons.

This week Year 2 have had an exciting time finishing their written poems and taking part in the poetry competition. The class have continued with their times table learning and practised the division facts alongside these. They had a fantastic World Book Day and enjoyed taking part in a live lesson with children across the country. This involved drawing a picture of Dave the Pigeon! Year 2 also designed their own National Book Token for the World Book Day competition and have brought them home to be posted in, if the children wish to.

It was wonderful to see many of you for parents evening, we hope you found it useful and informative. We have our trip to the RDA next week to look forward to. We hope you all have a wonderful weekend.
