ASSEMBLY CERTIFICATE

Reception: Harry, for trying very hard in his writing work

Year 1: Harper, for excellent effort in country dancing

Year 2: postponed until after half term!

Thank you to all the parents who came to our sharing hour yesterday. The children got stuck into all the activities so well! A big thank you to Miss Tolmie for organising it and a special thank you to Mrs Waugh for her wonderful dough disco! It was lovely to see so many of our school community in the hall having fun together! This week the children in Reception have continued to enjoy the Supertato stories. They have created their own vegetable characters using a range of resources, made lolly stick heroes, picked ice to reveal hidden vegetables and used carrots as paintbrushes! The children have also learnt a line to say during their own performance of Supertato.

Year 1 have covered position and direction in maths. They have been learning about fruits vs vegetables and examined how many fruits we often think are vegetables. In RE they finished off their topic on Shabbat and have impressed us with their great knowledge.

This week Year 2 took part in orienteering which was lots of fun! They have also worked on their ball skills in basketball and practised some sports day races with Mrs Streete.

KS1 have covered Northern Ireland this week for topic. They have written a postcard and learnt many facts about the country. The children are really enjoying this topic and it has been a joy to look through all their fantastic writing about this. I cannot believe we are getting so close to approaching the end of this academic year. There are many dates for the diary next half term, please have a check so you do not miss out on any important events! Also, a reminder to please sign our e-petition if you have not so already. Have a wonderful week, I hope the weather stays this sunny! We will see you back on Tuesday the 6th of June!
