ASSEMBLY CERTIFICATE

Reception: Harley, for making good progress in his writing.

Year 1: Alexander, for his wonderful speech on stage

Year 2: Ross, for settling in well to Dropmore

Thank you to all the people who attended our Arts Festival on Thursday. What a performance! The children at Dropmore have also enjoyed meeting our chicks this week! We have been waiting patiently for all of them to hatch, so there was much excitement on Monday to see they were all there! Throughout the week the children took turns to carefully hold them for a cuddle and explore all their different colours. In Reception, the children have been learning about real life heroes. They had to think carefully about who their hero is and then they painted a picture of them. The class also made their own superhero masks and shields. Reception have also spent some time learning about the life cycle of a hen.

This week, Year 1 have been learning to write letters through the story *Dear Greenpeace*. They learnt about Greenpeace's aims to look after the world and the animals on it. In maths they have been learning to compare mass and weigh mass using cubes.

Year 2 have been enjoyed the book *The magical yet* today in class and have been making their own 'yets'. They have been covering quarters in maths and writing instructions in English.

Thank you to many families for joining in with the Big Walk and Wheel this week. We would like to remind you to please keep safe when crossing the road, always choosing a careful place to cross. From next week a staff member will be outside by the road in the mornings to support with the initiative.

We look forward to welcoming many of you to the Easter Bonnet Parade on Friday. It will be a lovely way to finish off what has been a fantastic Spring term here at Dropmore!
