What a lovely Summer Fair on Saturday! A big thank you to Mrs Stracey and the PTA and all other volunteers involved in the event. It was wonderful to see so many past, present and future pupils all enjoying themselves. We were very impressed by the maypole dancing from all year groups and it was a good opportunity to get in some practice before the country dancing festival next week!

Reception's butterflies hatched this week! On Friday all year groups gathered on the field to open up the butterfly house and let them fly free!

Year 1 have had a fabulous week. On Thursday they visited Dair House to take part in their Forest School. The children made friendship bracelets with the Dair House Year 1 children, learnt how to whittle wood with a y-peeler and start a fire, then toasted crumpets over said fire using their newly sharpened toasting sticks! Year 2 have been taking part in transition activities this week to prepare for their new schools. On Wednesday they had a creative morning with Mrs Sutton where they explored using clay with different tools and techniques. Please do not forgot to fill in our parent survey, we really value your feedback. If you haven't done so yet, please complete it [here](#)
A busy week ahead including the transition afternoon on Tuesday. We also look forward to welcoming many of you at the Country Dancing Festival on Thursday! Please note, a letter regarding cream teas for the event went into bookbags on Friday. See you on Monday!
