- ♦ 5<sup>th</sup> Max

## LUNCH MENU

Please click [here](#) for the lunch menu for the week ahead.

Happy New Year! I hope you had a wonderful Christmas break. The children (and staff) have settled back into the school routine quickly and we look forward to another busy, fun term! Reception have started their new topic this week 'Our Planet'. They have been learning about space and Mrs Emmett has set up a wonderful space station for them to explore outside. On Wednesday, the children had their first day with Mrs Carroll and had lots of fun playing a maths quiz. On Friday, they created the planet earth using collaging and paint. This week Year 1 and Year 2 enjoyed the start of their new topic, HEROES! They discussed their new topic questions and were able to experience what heroes felt like during an exciting obstacle challenge around the school! The children also designed some incredible topic book covers and created their own superhero identities. Year 1 have started a new story in English: *Superheroes - All Sorts*. The story has a lovely message that everyone is a superhero in their own way and there isn't just one type. In PSHE they have started the topic 'Goals and Dreams', which should give them a lovely link into thinking about their own super abilities. Year 2 have settled in back well this week. They have enjoyed writing some new year resolutions of things they want to try in 2023. They have also consolidated some of their shape learning from last term and enjoyed learning about patterns. The children have also enjoyed a lovely Yoga session with Mrs Waugh and started practicing the skill of walking along a line in PE. Have a wonderful weekend and we will see you for full 5-day week on Monday!
