ASSEMBLY CERTIFICATE

Reception: Esther, for developing her confidence in class

Year 1: Heer, for amazing work in class

Year 2: Nihal, for using great strategies in maths

This week the children in Reception have been continuing to focus on the story *The King's Pants*. They have written a job advert to find a new 'Pants Picker' for the King. They have also made nature crowns, drawn pictures of the King using chalk, made Union Jack sticks using red, white and blue wool and held a muddy tea party in the garden. The children have also started to practise Country Dancing which has been lots of fun! Year 1 have been exploring a Traditional Tale of Snow White, using adjectives to describe the settings and characters, and role-playing how the characters might feel. They have made lovely wanted posters for villains from other stories. In maths they have started to recognise and find half of shapes and amounts.

Year 2 have been working on their reading skills and looking carefully at what different question words mean, such as: who, what, when, where, how and why. In PSHE they have learnt about how to mend friendships when there is conflict and strategies to help in these situations. In topic, the KS1 children went on a tour of England, exploring many of the wonderful physical and human geography, and learning about the symbols and customs of the country. They then made posters and fact files to showcase their knowledge and advertise the country.

We sent out an email about our Walk to School week yesterday. Please note the walking bus times for next week are:

Mornings: Depart Blackwood Arms 8:35am, Depart Jolly Woodman 8:40am.

Afternoons: Depart school playground at 3:10pm.

We hope you have a lovely weekend, just two days this time! See you on Monday.
