ASSEMBLY CERTIFICATE

Reception: Lilly, for showing an excellent attitude to learning.

Year 1: Tamanna, for her hard work and progress this term.

Year 2: Emily, for her fantastic skill and effort in her sewing.

We have never had to cancel a sports day before because it is too hot, it came close to that this week! We worked hard to keep the children cool and well-hydrated and Mrs Fearon ran up and down the field with a box full of cold water jugs several times throughout the afternoon. It was lovely, as always, to welcome you onto the school site, for our annual sportsday after a 2 year break. The children participated so well, despite the heat, and the competition between the houses was fierce. That could also be said about the parent race! But there can only be one winner. Well done to the Badgers for winning the Sports cup this term.

The children have been kept cool and busy in the classrooms too. This week Reception found out who their partners will be for the Country Dancing Festival and practised two dances on the field. They did so well considering there are many steps to learn! The class also had fun designing and writing special cards this week, we hope you enjoy them on Sunday 😊. Year 1 have had a grammar focus this week on modifying verbs for their superheroes, to show the present progressive (is jumping) and the past simple (jumped). They even had a look at those very silly irregular verbs (is running/ran). In maths they have revised fractions by practising turns and they also described position. They had great fun tripping over lefts and rights. Year 2 have been busy learning more about the author Anthony Browne. They have enjoyed reading his story Silly Billy and hope that they can use some of his ideas to help them when they get worried too. In Maths they have been practising their measuring using balance scales and measuring in grams and kilograms. In PSHE they have been discussing the different touches we like and dislike. Year 2 were also very excited to start their Maypole dancing practise and had an incredible first rehearsal. We are looking forward to our trip to the Gurdwara on Tuesday, organized by Miss Douglas. Please do read the letter sent earlier and provide us with the information requested before Tuesday. Have a wonderful weekend!

PARENT SURVEY

Last week we sent an email asking you to complete our annual parent survey. It is important that you take this opportunity to provide us with feedback. The survey consists of 20 multiple choice questions and should take no more than 10 minutes to complete. Please take the time this weekend to complete it. To access the survey, click [here](#).
