A decorative border of yellow pencils surrounds the central text area. Two pencils are positioned horizontally at the top, two at the bottom, and three on each side (left and right), all pointing towards the center. The background features a red vertical margin line on the left and light blue horizontal lines.

Please practise spelling these words. You could:

- See how many times you could write them in a minute.
- Make a word search or try to find them in your favourite books.
- Jumble the letters up and put them back together again.

It is also important to practise saying as well as writing the words.

When you know them...

- Practise using each word in a sentence.
- How many smaller words can you find in each word?
