Arriving at work

Welcoming the children

Celebration Assembly

Ice Lolly treat

My name is Miss Hasted and I am the Headteacher today. We have had a very busy morning. I enjoyed welcoming everybody in to school this morning.

At 9 o'clock we had our Assembly. Foxes got the Walk to School cup, Badgers got the Sports cup and the Mile a Day cup. Squirrels got the House Points cup and Hedgehogs got the Lunch cup. I also handed out 100% attendance certificates. This year 3 children had 100% attendance and I gave them all a golden sticker. I also gave the builders a thank you card and chocolates.

Next, I went to Year 1 to read a book to the class and the book is called THE DRAGON WITH THE BLAZING BOTTOM. After that we went out for playtime. I told all the children to put their hats on, because it is sunny outside. After play I went in to Year 2 and read the same story. Then I went into Reception and read the same story again. They all loved it, it was funny!

The children had pasta salad lunch in the hall and I had lunch with the staff in Year 1. We went outside for play time and at the end of playtime we went inside and into the hall and had a yummy ice lolly.

This afternoon we have been busy writing this newsletter for you. And we did lots of small jobs. And now we need to get ready for home time.

It has been a wonderful day. I have had a great time.

Love,

Miss Hasted (Imogen)
