- ♦ **Liberty**, for writing a joke for one of her friends.
From Mrs Bailey
- ♦ **Kyran**, for helping his brother build an obstacle course for a school project.
From Mrs Bailey

We have had a very busy week preparing for the re-opening on Monday. We are very excited and a little nervous at the same time, but are so looking forward to welcoming the children back. We are going to have a wonderful time together. The biggest difference, I think, will be the drop-off and pick-up: queueing and social distancing rather than mixing and mingling in the play-ground. Please prepare your child for this. Once in school they will be absolutely fine.

There has again been some brilliant learning at home. Reception have explored the theme 'Colour'. The children were asked to write colourful rainbow poems and we have been so impressed by their fantastic handwriting and sounding out. Throughout the week they have shared the Elmer stories and the children were even challenged to use milk bottles and paper squares to create their own Elmers. Year 1 has been learning about the majestic oak tree in English, having plenty of reading; first as a story and then as a fact file. Year 2 have been retelling fairy tales in their own words and acting out the stories. They have continued to practice their handwriting which is improving every week. In Maths they have been learning about multiplication and division, continuing to practice their times tables on Times table Rockstars which has been a great hit in Year 2. KS1 has been continuing their journey around the UK by learning about Scotland, including the culture, landscape and even the Loch Ness Monster! The children were also asked to design their own tartan and a "stained glass" piece inspired by Charles MacKintosh. All in all another busy week! I look forward to welcoming many of you back next week! Take care and keep well.
