For being a wonderful role model to others

We hope you enjoyed the Country Dancing festival, it is certainly a unique, special event. Thank you for your donations of food for the cream teas, we raised just over £500 for Target Ovarian Cancer and Blood Cancer UK. A big thank you to all the volunteers involved including Stephan Stephan at Maidenhead Rotary for leading the traffic management on the day. Reception were visited by a Dentist, Mr Dhillon, this week. They learnt about the importance of taking care of your teeth. They were very interested to find out how many teeth we have in our mouths and the names of the different types. Year 2 have painted their clay designs with Mrs Sutton and enjoyed learning about tally charts in maths. Year 1 have been practising their handwriting, making special report cards. Year 1 and 2 had a DT day all together on Monday, using woodwork and card to construct magnificent beach huts! A reminder to please return any school library books next week. We are collecting them all in for the end of the year. Next week we have many fun events including our seaside afternoon held on the school field. Please see the email sent out today about what to bring in. We have a wet weather plan if it rains, so please bring all the items listed regardless. Have a wonderful weekend and we hope those at camp night have fun!
