I can't believe it is Friday again! Another week that has flown by. The Christmas decorations have been finished and the children are very excited to buy their special topic decoration and Dropmore memory tomorrow. Please visit our stall where you can purchase both for £5. Our nativity rehearsals are in full flow too. Please continue to practice the lines with your children and encourage them to speak loud and clear. We have also had time for some 'real' work. Reception made some wonderful emergency vehicles and Autumn art work. Year 1 finished their dinosaur counting books and Year 2 made a shop to practice their skills in giving change. On Tuesday, Alice from the charity Mind held an assembly for our children about mental health. She talked about different emotions, we all have them and they are small feelings. She explained that if you have small feelings that don't go away and become big feelings, you need to tell someone. Alice came back again on Thursday after school to run a session with staff and governors. There will be a session for parents on Tuesday 21<sup>st</sup> January at 7pm. You may want to put this date in your diary already as it is a very useful session about how to support your children. I will of course send a reminder out nearer the time.

That brings me to today. It was so wonderful to welcome so many of you to our Governors' Assembly today. I do hope you found it useful and informative. Our governors do attend whole school events, so please feel free to chat with them. Some of them will be at the Christmas Fair tomorrow! The school is starting to look very Christmassy. Have a wonderful evening. I hope to see you all tomorrow!!
