ASSEMBLY CERTIFICATE

Reception: Harrison, for his excellent work in maths

Year 1: James, for outstanding effort when writing his story

Year 2: Diya, for her excellent story telling

It is hard to believe that we are in the final half term of this academic year! The whole school has had a lovely week back, the children have been very engaged in their lessons and busy practising for Sports Day next week!

Reception have continued their topic 'Get Healthy' by looking at healthy and unhealthy foods. They have enjoyed working on their fine motor skills by cutting fruit and making fruit kebabs. The class have also been writing instructions for an obstacle course race. Year 1 has been learning all about nocturnal animals this week in preparation for writing a factfile about them. The class have also had fun using Google Maps on our brand new laptops to research the seaside for their topic work.

Reception and Year 1 were very lucky to have a visitor, Barbara, from the Maidenhead Synagogue this week. Barbara kindly discussed Shabbat with Year 1 as this was their topic before half term. She also took a Q&A from Reception whose current topic in RE is places of worship. The children asked some very interesting questions and enjoyed looking at artefacts. Year 1 especially enjoyed tasting Challah bread! Year 2 are currently trying to solve the mystery of the missing chocolate cake for Mrs Streete! The chocolate cake disappeared at 9am on Monday morning. So far they have found many clues and written some fantastic reports and letters to Mrs Streete. We will keep you updated! We look forward to welcoming you to Sports Day next week. An email with further information about this will be sent soon. Next week there will also be a special one-off Walk to School day on Wednesday 14th. Please see Mrs Streete's email about this. Have a lovely weekend!
