

Dropmore Infant School

Breakfast & Afterschool Club

Dropmore Infant School will be running Breakfast Club, Early Drop Off & After School Care from September 2021 on a year's trial. If these are well attended, we hope to make this a regular service for many years to come.

Breakfast Club sessions run from 8.00am – 9.00am and are limited to a maximum of 8 children. Breakfast is served and a range of activities are set up every morning for the children to take part in.

Early Drop Off is available from 8.30am where care will be provided until school opens at 9.00am.

Afterschool Care runs from 3.00pm – 5.30pm and is limited to 8 children. The children will be served a healthy snack and take part in a range of activities and games.

Between 3.00pm – 4.00pm, there are other afterschool club activities you can subscribe your child to that are run by professional outside services. The school's own afterschool care can then be used from 4.00pm - 5.30pm should your needs require.

Breakfast Club & Early Drop Off will take place in the school hall, After School Care will take place in the cottage.

The cottage has its own bathroom, kitchen and cosy living space for use when the weather limits the use of the outside area. Outside the children have access to our outdoor classroom, playground and cottage garden.

The cost of these services is £5 per hour if pre-booked or £6 per hour if used ad hoc. Early Drop Off is £2.50. Late collections fees will apply should your child be collected after the agreed collection time.
