**Year 1:** Ross, for his effort in carpet sessions

**Year 2:** Aria, for her amazing effort in writing

What a lovely Sports Day we had yesterday. The children did so well and thank you to the PTA who provided the sausage sizzle and ice creams at the end!

Thank you also for your support on Wednesday with the Walk to School Day. It gained some good press attention and we will send out more communication about this next week, in the meantime you may like to read the articles [here](#) and [here](#). A special thanks to Ms Roberts who was instrumental in sorting this!

Linked in with the healthy theme of this week, Reception had a special visitor on Friday. Mrs Hemmings, who is a Nutritionist, came to discuss with the class ways they can keep healthy covering foods, nutrients and exercise.

Year 1 enjoyed doing their silly reading with Miss Tolmie in the library throughout the week. In RE they started their new topic with Mrs Sutton on Rosh Hashanah and drew special flags about what they would like to achieve in Year 2.

Year 2 have been working on their drawing and shading skills in art. They have covered time in maths which can always be tricky so Miss Beeks says a big well done to them. All year groups have started their maypole practise this week and I have seen Year 2 working exceptionally hard on this as they have many tricky moves!

All classes have been making special cards for Sunday so please check your child's bookbag! We look forward to our school trip next week to the Portman Estate.
