## Clay Club

Wednesday 27<sup>th</sup> April until Wednesday 13<sup>th</sup> July, 3pm-4pm – 11 weeks

We are pleased to offer parents the opportunity for their children to take part in Clay Club.

Clay club will give children plenty of opportunity to get their hands dirty, explore clay and create art to enrich their after-school education. The children will enjoy learning new skills as they discover techniques used to hand build wonderful clay projects. They will try a variety of methods using stoneware clay and will take home their decorated clay pieces.

No previous experience is required and all are welcome. The classes include all materials and firings and children are encouraged to be involved in all of the ceramic processes.

**Classes are limited to 12 students. As Clay Club is very popular, priority will be given to those who have not already attended this club from January. This will allow more children to have an opportunity to take part. Please contact the School Office to book your place. Once new students have been given time to sign up, if the class is not full, we will contact those who have contacted the Office to expressed an interest in returning to the club.**

Payment must be made by 15<sup>th</sup> April to secure you place.

Kind regards,

Mrs Fearon
