- ♦ **Maxim**, for giving me the ball I wanted. From Louis.
- ♦ **Fergus**, for sharing his bread roll. From Jake.
- ♦ **Amina**, for explaining the orienteering task to Logan. From Mrs Emmett.

No birthdays this week

What a busy week we've had. Starting with our spring term parents evening on Tuesday. It was lovely to see many of you and I hope the meetings were informative. On Wednesday morning we had our annual Poetry competition. All 13 finalists performed their poems in front of the whole school and our 2 guest judges. The performances were all brilliant and our judges had a very difficult task choosing the winners for each year group. Well done to Alfred, Jack and Summer for winning the Poetry competition. All finalists were given 10 House Points for their performance.

On Wednesday afternoon 2 governors visited the school for a learning walk. They observed a junk modelling session in Reception and a PSHE lessons in Year 1 and Year 2. Thursday was World Book Day with a theme linked to our topic 'Heroes'. We were so impressed with the thought put into choosing a hero, welcoming characters such as Ghandi, Greta Thunberg, David Attenborough, Princess Diana and William Wallace as well as many story book heroes. Staff dressed up as characters from Robin Hood and brought the story to life with a short performance. The PTA had organized a second-hand book sale and the children enjoyed browsing and buying books using small change. Friday was another exciting day. In the afternoon Mr Creton, a paramedic, visited all classes to talk about his job. The children had many fantastic questions about his job. They were taught the recovery position and CPR. We have explained to the children that this is for emergency use only, not for play. Please reiterate this at home too. Next week is Science Week. Have a wonderful weekend!

- ♦ Tuesday 10th: Science Challenge @ 9:15am
- ♦ Friday 13th: School Trip to RDA

DEFIBRILLATOR

We are now the proud owners of a defibrillator. A massive thank you to Mr Spicksley for installing the defibrillator for us in the half term holiday.

We hope we will never need it but feel reassured having one on site, given the remote location of our school.
