As I am writing this newsletter 50 children are in the hall together enjoying a movie and a special treat of chips and nuggets. A special thanks to Mrs Hedley and Miss Roberts for organizing such a wonderful event and thank you to Mr Bal for the yummy food!

It has been another busy week at Dropmore. Reception have spent lots of time outside in the sunshine being Autumn Detectives this week. The children have spotted lots of different coloured leaves and loved using the wheelbarrows and brooms to help to sweep them up in their outdoor area. They have also learnt about animals that hibernate and built some amazing 'hedgehog hideaways'. Year 1 has had a fantastic week learning all about verbs (our "what doing?" action words) in the traditional poem of Hickory, dickory dock! They have even been learning about the common suffixes of -ing and -ed to show present and past tense. In maths they have begun to explore subtraction as a way of breaking numbers apart using objects, pictures and by writing number sentences. Year 2 have planned and written their quest story this week. In maths they have been introduced to column addition. In their topic lessons, Year 1 and Year 2 have been weaving, using a variety of materials, with some wonderful end results! In PE they have been applying the volleyball skills learnt this term in small game situations, ready for some matches next week. Next week we will be finalizing our Harvest performances and look forward to sharing this with you! We are also hoping to receive many donations for the Slough foodbank. We will set up an area at the front for you to drop them off. Thank you for your support. I hope you have a lovely weekend.
