- ♦ 1st: James
- ♦ 4th: Maxim
- ♦ 5th: Nihal

I am thrilled to welcome so many new families to Dropmore and it is lovely to welcome all our other families back too. I hope you have been able to enjoy the summer break. We have kept busy over the summer and had a new picket fence installed to mark off the reception outdoor area and the Year 2 outdoor area. We have reorganized the PE resources in the hall and have continued with the tidying up of the school site. School just isn't the same without children and it has been wonderful to welcome the children back last Wednesday. The school is a hive of happy children engaged in exciting activities again. Reception have had a lovely time, getting to know their new friends and teachers. We have been really impressed by how well they have settled in and picked up the new rules and routines. After a staggered start, they all came together as a class on Friday and we look forward to seeing them in every day next week. The Year 1 and Year 2 children look so smart and it is hard to believe how much they have grown. They kick-started their topic 'Around the World in 80 Days' with a flight to Madagascar, learning about the continents of the world and the countries of the UK. On Wednesdays Year 1 and Year 2 have PE with Joanne, who is teaching them volleyball this term. Year 2 have been reading the book 'Here we are: notes for living on planet earth' by Oliver Jeffers and completed several activities related to the story. Year 1 have made a weather diary and Miss Tolmie asks that this is updated daily. Finally: from Monday we will be using the late book for late arrivals and pick-ups. Please ensure you pick-up and drop-off within the 15-minute interval. Thank you for your support! I look forward to an exciting year!
