It's Friday! And what a week it has been! Following the announcement by Boris Johnson on Sunday we have been busy planning for the phased opening of the school, as well as continuing with home learning and caring for our Key Worker and Vulnerable children. Hopefully you will have read my letter and completed the survey (if your child is in Reception or Year 1). Despite all this there has been some wonderful learning taking place. The Reception children have clearly enjoyed this week's pirate theme. They have been busy designing and labeling their own treasure chests and maps, counting and doubling their treasure and even walking the plank! Miss Tolmie has been incredibly impressed with the neatness and effort in Year 1's handwriting this week. Some children are challenging themselves by learning joined handwriting. It has also been noticeable in the presentation of their written work in English and Topic activities. The children have been learning about the United Kingdom, enjoying the creative activities making food, building structures, designing new bank notes and flags. Year 2 have been very busy writing letters (to me!) about the story Gorilla by Anthony Browne. They have been practicing their addition and subtraction skills of two 2-digit numbers and have been successful in using column addition and subtraction. They are working hard on their handwriting and it is really improving. Lots of children are also trying joined up writing. In topic Year 2 have been looking at the UK and learning about the 4 nations and their capital cities. We all deserve a rest after this! Have a wonderful weekend. Take care and keep well.
