I am thrilled to welcome so many new families to Dropmore and it is lovely to welcome all our other families back too. I hope you have been able to enjoy the summer break. It was wonderful to welcome the children back on Tuesday. Reception have had a lovely time getting to know their new friends and teachers. We have been really impressed by how well they have settled in and picked up the new rules and routines. In addition, Year 1 and 2 have done a great job welcoming them in and supporting them at break and lunchtime. After a staggered start this week, we look forward to welcoming Reception in full time from Monday. The Year 1 and Year 2 children look so smart and it is hard to believe how much they have grown. They kick-started their topic 'Discovering Dinosaurs' by going on a fossil hunt. It has been a particularly wet week and we have 'enjoyed' several wet play sessions already. Please ensure your child brings a raincoat into school every day. I have been most impressed with the number of children (and parents) that have walked to school, despite the weather. Keep it up! We now have an amazing house point collector for the 'Walk to School' cup, expertly made by Imogen and Bea's grandad. We received another amazing gift, made by Imogen and Bea's grandma: 4 house animal mascots complete with school jumpers and badges! They have a special place at the entrance and have been admired by everyone. We can't thank them both enough for their wonderful craftsmanship and time spent to support the school! Next week will be the last week for second hand uniform sales before we put it away until next half term. There are also some books left which will be out for one more week. Please help yourself. All the money and donations go to the PTA and payment can be online or cash.

I look forward to an exciting year!
