From the Dropmore Staff

June / July

No birthdays this week

It has been another fun week. Bit wet at times, but that hasn't stopped us. This week Reception's topic was 'Britain'. At school they learnt about the different countries in Britain including their flags and capital cities. In Maths they have been counting in 2s, 5s and 10s. Miss Douglas and Mrs Bailey have been most impressed with their counting skills. Year 1 has been having fun learning skipping rhymes and traditional songs in school and at home. In maths they have continued to practise recognising money and using partitioning to discuss value. In science they have been on a tree hunt, learning to recognise native trees growing around the school. They have been taking care of their sunflowers, and will be harvesting their potatoes next week. Year 2 have been busy entering two competitions. There have been some excellent entries for both the writing competition and the drawing competition. They had to write a 500 word story of their own creation related to the Black Lives Matter movement. We can't wait to see if we have any winning entries, the closing date is today. They have also entered the NHS drawing competition to make a poster to thank the key workers for their hard work over the last few months. Year 2 have completed their last home learning week and we look forward to seeing most of them back in school next week. Next week we will also hold our sports day (weather permitted). Unfortunately, this will have to happen without an audience, but we will video it and share this next week. Fingers crossed for dry weather. I am really looking forward to welcoming Year 2 back on Monday. Have a wonderful weekend. Take care and keep well.
