WALK TO SCHOOL CUP:

Here we are, at the end of the school year, and hasn't it just flown by? It is hard to believe the children will be moving on to their next year. The end of a school year is always an emotional time, particularly as we say good-bye to our Year 2s, more so this year, because of the disruption to their time at Dropmore. We have had an extremely busy last week and a half, with many highlights. So much so that this newsletter has an extra page to share some of the photographs with you. It all started with our Dropmore Museum on Tuesday, in which the children shared their learning from our Dropmore topic, Reception shared their cakes and we displayed historic artifacts of our school. If you are interested in finding out more about the rich history of our school, please visit the 'Heritage' page on our website, by clicking [here](#). We had 82 visitors to our museum and the children performed their job roles with pride. On Thursday, Year 2 were on the stage for their Variety performance for their parents. They were simply amazing! We had our Seaside afternoon, one of the many highlights of the summer term and so well time with the weather! The children loved the water slide, the sandpit, the games and of course the ice cream (thanks to the PTA). And if that wasn't enough to organize in one week, we had our Burnham Beeches walk & picnic on Friday, another end of year event that we were so happy to reintroduce. Everyone had a wonderful time, despite the heat and the ants. The photos speak for themselves. It was great to open the school gates for a very successful PTA camp night on Saturday. The atmosphere was amazing and it was lovely to see so many families and children having fun. That brings me to this week and you will have all seen that I had a day 'off' on Tuesday, when Miss Hasted took over as Headteacher for the day. She had a very busy day starting with an extended End of Year Celebration assembly. That evening we had our Year 2 Leaver BBQ, and that is all I can say about that, other than that we all (staff and children) had lots of fun. That brings me to today, the last day of this school year. The Year 2 children shared their memories of Dropmore and sang their favourite songs in their Leavers Assembly this morning. Once again, they rose to the occasion, it was an emotional goodbye for many of us. I would like to finish this newsletter with a big THANK YOU to each and everyone of you, our parents, for your support and for entrusting your children with us. And finally, on behalf of all the staff, thank you for your kind words and gifts. Have a wonderful summer!

CELEBRATIONS
