I am thrilled to welcome so many new families to Dropmore and it is lovely to welcome all our other families back. I hope you all had a lovely summer.

We have been busy again this summer, cleaning up the school site. The Year 1 classroom has had a make-over. The walls have been painted, the carpet has been cleaned and the room looks (and smells) fresh again. The Year 1 and Reception patios have had a deep clean and look like new and the resource cupboards in the Year 2 cloakroom have been tidied and reorganized. We managed to fill a skip in the process!

But that is not all, this summer Lana and Jo worked hard on transforming the cottage into a warm and welcoming room for their Breakfast Club and After School club.

It was wonderful to welcome all the children last Wednesday. The Year 1 and Year 2 children look so smart and it is hard to believe how much they have grown over the summer. The Reception children have done so well and settled in without any problems. We are very proud of them. The school is a hive of happy children engaged in exciting activities.

It was lovely to welcome the Reception parents for a coffee morning this week. Copies of the presentation and other class information (for all year groups) can be found under the Teaching & Learning section on our website. Please [click here](#) to access it.

Finally, a request from the staff: From Monday, please can all children line up by themselves. This will promote independence (our school value this term) and speed up the morning routine and ensure children are in class ready to learn at 9am. Thank you for your support!
