From Aria
- ♦ **Lauren**, for finding my hat for me.
From Charlie

- ♦ **Arjun**, for excellent maths partitioning 2-digit numbers AND brilliant phonics.
- ♦ **Emmie**, for helping a friend with his maths.
- ♦ **Nihal**, for brilliant perseverance when skipping.

It has been a very wet day today and the children have had wet play at both break and lunch time. Thankfully it was dry on Wednesday when we took part in the Brake's Kids Walk, promoting the need for pavements, safe places to cross and slow traffic around Dropmore Infant School. You can read all about it [here](#). Dropmore Shop continues to be a highlight of the week with many new exciting items for sale, including road safety accessories. Please check your child's bookbag for returned purses and make sure these are replenished and back in school by Thursday. Reception have been hard at work this week practising their halving skills. The children started at the beginning of the week halving shapes and then moved onto halving numbers. They have also enjoyed making something very special for Father's Day on Sunday. Year 1 has had a fantastic week in maths. They have been able to compare two-digit numbers by looking at how many tens and ones there are, using this skill to then order a series of number by their value. In English they have all designed their own superheroes, often featuring everyday people who help us, to create a new class book for them to share during reading sessions. Year 1 and Year 2 celebrated healthy eating week by designing, making and eating their own salads. The children really enjoyed the taste test to decide what they wanted to use. They enjoyed a sports day practice with Joanne on Wednesday in preparation for our sports day next week. Fingers crossed for a dry afternoon. We will be recording our sports day and will share this with you on Teams. Year 2 have been continuing to read Anthony Brownie stories. They have enjoyed listening to the story Silly Billy, who uses worry dolls to help with the worries he has. Year 2 has been using this story to talk about their worries about their new schools. Have a great (and hopefully not too wet) weekend!

- ♦ 12th: Gurjeevan
- ♦ 16th: Sofia
