What a wonderful week we have had, and I am not just talking about the weather! Many of us watched the Royal Wedding on the weekend and we continued with our wedding theme on Monday. After lunch we walked to St Anne's Church where we were welcomed by Reverend Jane. The children enjoyed an afternoon of wedding related activities in their Year groups. They experienced a mock wedding ceremony in the Church, tried their hand at wedding photography and enjoyed some quiet time in the churchyard testing their Royal Wedding knowledge. It was such a fabulous afternoon! Thank you to everyone who volunteered to help with the walk to and from Church. Without it we would not have been able to go ahead.

On Tuesday we welcomed Miss Juliette, a Dutch student, in school. She has been working in Reception and has loved her time at school. This afternoon she will be treating the children to some Dutch culture. Please check the website next week for an update on our wedding activities and the Dutch afternoon. I can't believe how quickly this half term has gone. Every term is busy, and this one has been no different. However it is the term in which many assessments happen and the children and staff have all worked extremely hard. I do hope you all have a wonderful half term, with time to rest and spend time with your families and friends. Remember that you have an extra day, as we have an INSET day on Monday. I look forward to welcoming you all back on Tuesday 5th June!

HOUSE INFORMATION

As we reach the half term mark, I thought it might be nice to give an update on the House Points awarded so far. Badgers are in the lead, closely followed by Squirrels, Hedgehogs and Foxes.
