Headteacher: Mrs G Streete

26 March 2020

Dear parents,

I hope you are all keeping well and staying safe.

We miss the daily contact and miss your children. It is so important to stay in touch in this uncertain time. We will be calling you next week (so don't be alarmed) to check everything is OK and to offer any help or advice with home schooling. Please do also contact us with any questions or updates, either via Google Classroom and Tapestry or using [office@dropmore.bucks.sch.uk](mailto:office@dropmore.bucks.sch.uk)

You may well feel inundated with information and resources at this point, but I would like to draw your attention to a few important points:

1. **Visit our website** <https://dropmoreinfant.eschools.co.uk/website>

The website has been updated with the latest news items. Please have a look at these with your child. A lovely reminder of their busy time at school and they will love seeing photographs of their friends and themselves!

I have also added an information section about the Coronavirus, which I will continue to update. You can access it via a link on the home page or you can find it under Parent Information.

2. **60 minutes of physical activity per day**

It is important that your child continues to have at least 60 minutes of physical activity every day. You can start the day at 9am with a 30 minutes [PE lesson](#) with Joe Wicks.

As Real PE subscribers, we also have access to **Real PE at Home** an online programme which supports families to be active, play and learn together. It includes a programme specifically for children in Early Years and Key Stage 1 with 12 themes, 6 areas, over 250 activities and challenges and 1000s of hours of fun and activity. The login details are:

Website address: [home.jasmineactive.com](http://home.jasmineactive.com)

Parent email: (contact school office for details)

Password: (contact school office for details)

3. **OnlineSafetyAtHome**

The Thinkuknow website has produced home activity packs for parents and children. Each pack contains simple 15-minute activities for parents to do at home with their child using the Thinkuknow resources. Click [here](#) to access the home activity packs. Click [here](#) for more information on how to support your child at home.

Artsmark  
Gold Award  
Awarded by Arts  
Council England

Finally, and maybe most importantly, I have attached the 'Parent Factsheet – how to support home learning' for your information. We love seeing evidence of the hard work going on at home and are so impressed. We will continue to support the home learning so please do contact us if you have any problems or questions.

Please look after yourself and your family.

Kind Regards,

A handwritten signature in black ink, appearing to read 'Mrs Streete', with a stylized, cursive script.
