It has been such a wonderful week, with so many visitors! It all started on Monday when PCSO Heidi Lansley came in to start our Road Safety week with a special assembly. She has asked all children to take part in a Road Safety poster competition and looks forward to receiving all your entries. After the assembly she parked her police car on the playground for the Reception children to look around. After lunch Reception had a visit from Mrs Storey, who used to work as a vet. On Tuesday we welcomed our Reception parents for a phonics morning. It was very well attended and the feedback has been extremely positive. A copy of the presentation can be found on our website. Click [here](#) to access it. In the afternoon the children made their Christmas decorations. They are a wonderful reminder of their dinosaur topic and their time at Dropmore. Thank you to our helpers that afternoon. We couldn't have done it without you! On Wednesday the Reception children arrived looking fabulous in their costumes and had lots of fun completing activities related to their People Who Help Us topic. The highlight for them was of course a surprise visit from some fire-fighters and their fire engine. Thursday was a special day for our Year 1 and Year 2 children as they prepared for their film documentary premiere. They loved seeing so many parents as they walked into the hall on the red carpet and were so very proud to share their work. We will show the short films again after the Whole School Sharing assembly on Friday. Our Governors hope to see many of you there!

I hope you have a lovely weekend!

THANK YOU

The children would like to say a big thank you to the PTA for the fun reflectors. We have been learning about the importance of being seen, particularly in the dark and these reflectors help to 'Be Bright, Be Seen'!
