Today marks the official last day of the spring term and the start of the Easter holiday. You may recall from my letter sent 2 weeks ago, the 3 phased approach to the current situation. Phase 1 has now been completed. Two weeks of home learning where we have all tried to find our feet and do the best we can in the current situation. I would like to say **well done** and **thank you** to staff, parents and pupils for a brilliant effort. An incredible amount of work has been done!

Phase 2 = The Easter holiday. It is an important time for everyone to relax without the pressures of home schooling. Please do continue to enjoy stories and read with your children. There will be optional Easter challenges available, but there are no expectations for work to be completed and uploaded.

Phase 3 This is still an open ended phase. We will have to accept that this is a marathon and not a sprint. This means we need to ensure the workload and expectations are clear and realistic and support is in place. We understand the pressures of working from home while home schooling your children and will work with you to:

- Provide a clear set of manageable minimum tasks to complete each week
- Ensure tasks are set at appropriate level
- Provide suggestions and advice for stress-free home learning.
- Keep fortnightly telephone contact.
- Respond to feedback received.

As always, please contact us with any questions or concerns using office@dropmore.bucks.sch.uk any time or 01753 644403 Wednesday- Friday. Have a wonderful (and sunny) Easter break!

THE WEEK IN PICTURES

Mile-a-Day Cup
