We had a busy week this week with World Kindness Day to kick off the week, then Odd Socks Day Wednesday and Children in Need today. Jam packed! Alongside all the fun, a lot of great learning has happened.

Reception read the story of the *Gingerbread Man* and created their own story maps to retell the story. They have continued to learn about Diwali and used clay to make Diya lamps. The children also impressed us with their maths skill, learning how to use 5 frames.

This week Y1 have been planning and polishing their own version of a page for their class text book about vehicles. They have used their knowledge about non-fiction books to include a header, labelled diagram, captions and textboxes. In maths the children have concluded their learning about addition and subtraction within 10 by using a number line, adding 1 and 2, and their related facts.

Year 2 have been continuing their work in English on writing diary entries. They have learnt about subordinating conjunctions to extend sentences which will help the children add in lots of details. Next week the class will be writing their own diary entry for a house animal. They have done lots of research to about our house animals so they can really imagine what it would be like! In Maths the class have been adding and subtracting two- 2-digit numbers and can now bridge over tens when needed.

Nativity rehearsals have started! KS1 - Please support your child by regularly practising their lines (including listening for their cue). They may even be able to show you some of the acting we are beginning to include. If you have lost your lines, please contact us ASAP.
