for picking up the counters  
when they fell on the floor  
(a whole pot!)  
From Miss Tolmie

- ♦ 10<sup>th</sup>: Arjun
- ♦ 15<sup>th</sup>: Imogen

## ASSEMBLY CERTIFICATE

No sharing assembly this week  
due to our  
church rehearsal.

Wow! What a wonderful week with so many highlights! Reception have enjoyed another busy week learning all about Harvest and autumn. They produced some lovely artwork for their Harvest headbands and we were so impressed with how well they performed on Thursday. The children have continued their work related to 'The Little Red Hen' and this week they discussed the story together and retold it by creating a class story map. In Year 1 the children have started learning traditional playground rhymes; they enjoyed working in pairs to clap along to Pat-a-Cake. In maths they have started to learn about subtraction as "how many left", using objects and pictures to see how many they started with, what was taken away and what was left over. They had great fun finding the questions hidden around the classrooms. Year 2 have had a lovely week writing poetry about harvest. They have written shape poems and acrostic poems. They have also had a good week learning about number bonds to 100 and using the related facts from their number bonds to 10. In topic Year 1 and Year 2 had a great time launching their rockets into space. They threw them as far as they could and made sure to check the housepoints were still inside. Thankfully most of the housepoints had a safe journey to space. And on top of all that we had 2 wonderful Harvest assemblies, flu jabs, a walk to the church, a church rehearsal and a very successful cake sale. Thank you all for your support! I hope to see many of you at St Anne's church for our Harvest service. It starts at 3pm. Other than that, please have a restful weekend, ready for another busy last week of the half term!
