From Victor

- ♦ 14th: Hamdan
- ♦ 20th: Kaeden

This week was Road Safety week as well as Anti-Bullying week. Children were reminded of the importance of both and took part in several activities across the week. As part of the Burnham War Memorial Centenary all children have been producing art works through different media. This week Reception designed their own passports and they have already 'jetted off' on a trip to Ireland, where they learnt about Irish dancing and tasted some delicious soda bread. The children are excited to see which country they will be visiting next week! They have also spent time using the laptops and designed some colourful firework pictures as part of their learning about Diwali. Year 1 has enjoyed learning to give instructions with reasons through the highly amusing book series "Don't let the Pigeon..." by Mo Williams. They gave excellent reasons why the pigeon should not ...Stay Up Late or ...Drive the Bus. In Maths they have started the unit "Place Value within 20, kicking off with counting to and from any number up to 20. Please help your child practise this over the weekend ready for ordering and comparing next week. Year 2 completed their phonics screening check this week. Well done to everyone! In English they have been reading traditional stories from other cultures. In PSHE they have discussed what bullying is and how it is different from everyday playground incidents. They have been reminded to speak to an adult when an incident occurs. This week we also announced the winners of the new kindness award competition. Have a look at them [here](#). Last but not least, thank you all for supporting the Children in Need charity. We raised £371 from merchandise sale and £64 from our Mufti day. Have a great weekend!

SUMMER CHALLENGE

A huge thank you to everyone who took part in the Summer Challenge. We have reached our target of £3000 and are able to purchase one vehicle activated speed warning sign. Further certificates have been handed out this week to all who took part.
