What a busy week it has been. Reception joined us full time this week and have done so well! Some of them even attended our after school clubs. They have all coped remarkably well with the longer days.

It was wonderful that so many of you attended the 'Meet the Teacher' meetings. Lots of useful and important information was shared and questions were answered. Please visit the website for copies of the timetables, presentation and handouts.

Mrs Weston, our librarian, started again this week. She visits us every Monday and Thursday morning when all children get the opportunity to visit the library and choose a book. The school, Mrs Kersey and PTA have invested in some more library books which will be available from next week. It has been a busy week in the classrooms too. Our topic is in full flow now and this week Year 1 and 2 have been learning about Mary Anning. They stepped into her shoes and went on a fossil hunt, thinking about how it felt when they found a fossil. Reception have been practicing writing their name. They also enjoyed a music lesson with Mrs Middlefell and have started practicing their Harvest song.

Thank you for your support in getting the children to line up by themselves. It makes a huge difference to the start of the school day and also encourages your child to become more independent (our school value this term).

Finally, **a huge thank you to Mr Zittel and Mr Spicksley** for their time last weekend, painting and putting together a new Wendy House for the Reception outdoor area. Much appreciated by the staff and children!

Have a wonderful (sunny) weekend!

- ◆ Monday 23<sup>rd</sup>: Boiler Replacement project starts
- ◆ Friday 27<sup>th</sup>: Maidenhead Advertiser Photograph for Reception

## BOILER REPLACEMENT

Our current boiler is very old and inefficient. County has recognised this and approved a boiler replacement project for our school. This will start on Monday 23<sup>rd</sup> September and we expect the project to be completed by Friday 25<sup>th</sup> October. There will be minimal disruption to the school day. I will keep you updated on the progress.
