Year 2: Oliver, for fantastic effort in his handwriting.

KINDNESS AWARD

- ◆ **Danielle**, for putting my folder in the tuff tray.
From Daisy

October

- ◆ 10th: Arjun

We have had such a wonderful and exciting week. It started on Tuesday when we invited all the parents for our termly Sharing Hour. The children love showing you their classroom and sharing some of the resources they use in their lessons and it was wonderful to welcome so many of you. I hope the Sharing Hour will spark a few more conversations about their school day. The children certainly enjoyed running around the field with you, scoring point for their house in the process. I think we had a new top score for Mile a Day, which is amazing! And how lucky were we with the weather? The rain held back just long enough.

Wednesday was even more exciting: a coach trip a museum and a packed lunch! The children had such a wonderful time, they were in awe of all the animals, loved their packed lunches and enjoyed a fabulous dinosaur detectives workshop. There were several other groups in the museum, which makes it even more special when people come up to us to compliment us on the behaviour and manners of our 'little ones'. We are so proud of them! All that excitement is very tiring and several children fell asleep in the coach on the way home. They may need a quiet weekend to recover from all this excitement and to prepare for our Harvest festivities next week. We look forward to welcoming you all at our Harvest Assembly on Tuesday morning. All children will be taking part and it promises to be a wonderful celebration. We will also be celebrating harvest in St Anne's Church on Sunday 20th October and hope many of you will be supporting us. Please do let the office know your availability.

Have a wonderful weekend!
