- ◆ **Keira**, for helping with a tray.
From Sophia

October

- ◆ 1st: Virràe

Autumn has well and truly arrived, with (even) more rain and a drop in temperature. We are without a boiler at the moment and (staff) are feeling the cold. Emergency heating will be installed over the weekend to take the chill off, especially in Year 2 and the library. Another week has flown by. On Monday we had a special visitor: George the Tortoise. He visited all 3 classrooms and the children were given the opportunity to hold him. Year 1 are learning about groups of animals in Science and were able to identify George as a reptile.

Reception have begun to learn all about dinosaurs this week! They have enjoyed reading a variety of Harry and the Bucketful of Dinosaur stories and thought about what they would put in their own special bucket. In phonics the children have begun to learn to recognise the sounds s, a, t and p and have been using the letter rhymes to help them to write these with the correct formation, they may even be able to show you how over the weekend!

Year 1 and 2 enjoyed another tag rugby lesson with Jo Odro, our PE coach. The children learnt to pass the ball (backwards) and were allowed to use our new tag belts in a fun game of tag. In their topic afternoons the children produced some wonderful dinosaur fossil art, which I am sure they will be proud to show to you on Tuesday afternoon during Sharing Hour. We hope to see many of you on Tuesday afternoon. The children love showing you their learning environment. Weather permitting the afternoon will finish with a Mile-a-Day session, so please wear (or bring) appropriate footwear. You will be scoring points for your child's house!!

Have a wonderful weekend!
