ASSEMBLY CERTIFICATE

Reception: Rayan, for excellent effort in his phonics lessons

Year 1: Imogen, for her super questioning to deepen her own learning

Year 2: Lily, for her excellent effort in her handwriting.

It has been another short, but very busy week. We started the week with a vote for our House Captains for the summer term. On Wednesday the children attended a Pollination Assembly by the Iver Environment Centre. And today we had our class and whole school photos taken. It was a busy week for the parents too, with Reading workshops on Tuesday and Thursday evening. They were very well attended and we hope you found them useful.

This week Reception have been working on their teamwork skills. They have been doing some fantastic group work together, including den making using various fabrics and crates! The children have also been getting ready for sports day by practising the long jump in our big sandpit. Year 1 have been exploring statements, questions and exclamations. In comprehension they had to create questions from given statements and then add the correct punctuation to unpunctuated sentences. In maths we have been practising counting in groups of 2s, 5s and 10s, using equipment to make groups or ring pictures to count. In PSHE we have discussed what makes a good friend. Year 2 have been listening to different versions of little red riding hood and have enjoyed learning about how it might not have been the Wolf's fault. We have also been busy learning about the four operations and practising our measuring. Do keep practising this this weekend. In PSHE we have been discussing how we use different types of touch to communicate with each other and which ones we enjoy and which ones we do not. In KS1 they have begun to use atlases and globes to learn about the continents and where Dropmore is. Year 2 have also been learning about the 5 main oceans and our local seas. They have made some lovely "zoom in" flipbooks, which will be on display at the Dropmore Museum. I hope you have a restful and sunny weekend, ready for a 5-day school week next week. Enjoy!

HOUSE INFORMATION

We are proud to announce the House Captains for this half term: Lily (Foxes), Lana (Badgers), Brontë (Squirrels) and Safiyya (Hedgehogs).
