## CELEBRATIONS

**Narayan - Year 2**

For drawing amazing pictograms

**Sophia - Year 2**

For writing an amazing message in a bottle, which will hopefully get her some help

- ♦ **Louis**, for saving a field mouse.  
From Mrs Streete
- ♦ **Emmie**, for including the teachers in the live session.  
From Miss Tolmie

- ♦ **Diya**, for her outstanding effort in maths.

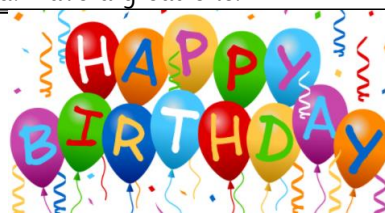

## HOUSE POINTS

Totals up to Friday 29<sup>th</sup> January.

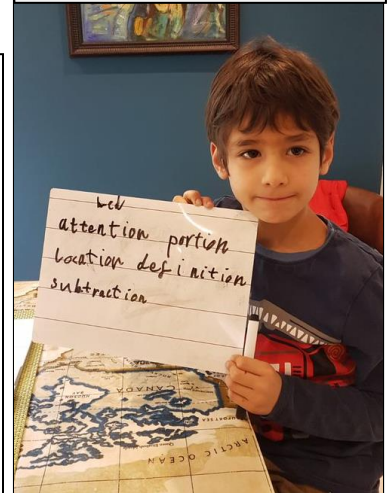

Squirrels 875  
Badgers 863  
Hedgehogs 761  
Foxes 722

It has been a wet few weeks, with more rain (and possibly snow) to come. Our sandpit is a swimming pool at the moment and the astroturf is waterlogged. Hopefully it will all drain away again soon. But it hasn't stopped us from having fun and learning, both inside and outside! This week Reception have been busy completing activities related to the Percy the Park Keeper stories. The children have clearly enjoyed this theme and they have designed the most amazing 'dream parks', including attractions such as, fun fairs, zoos and ice cream stalls to name but a few! In Maths the children helped to measure the height of the trees in Percy's park and then had fun measuring their toys at home. Year 1 have continued their poetry unit, focusing on capital letters for names and creating and using rhyming words. In Maths they started their work on numbers to 50. Year 2 have been learning about 'tion' words in phonics. They are quite tricky words to spell. In English they have continued their work on stories with familiar settings, they have learnt about the past tense and expanded noun phrases. They have been listening to more stories too, so they have lots of ideas to write their own stories next week. In Maths they have started their new unit of statistics and have been learning how to use tallies. They have even been drawing their own pictograms. This week they have enjoyed their live sessions, where they did a science investigation looking at really zoomed-in pictures. They also enjoyed a lovely story about Captain Sir Tom Moore. This week was Children's Mental Health week. The theme for this year is 'Express yourself!'. It is important to do the things that make us happy and to share our feelings and emotions. Let's make sure we do that this weekend. Have a great one!

- ♦ No birthdays this week

## THE WEEK IN PICTURES

**Super phonics work**

**My dream park**

**Board game review**

**Board game design**
