We made it!! It has been a long and somewhat challenging term, but it has been wonderful to have the children in school every day. Our whole school bubble has provided a normal school experience for the children and I am so grateful for the support and trust from you, our parents. But, all of this would not have been possible without the extra effort and dedication of my wonderful staff team! I hope to thank them in person this afternoon. The last week of term has been exciting to say the least. On Tuesday afternoon we held our Inter-house competition. More about this will be on the website soon. The children had fun trying their best for their house. But there can always only be one winner. Well done to the Foxes for winning the Sports Cup this term. On Wednesday we had our end of term celebration assembly. The Badgers did extremely well and won all 3 other cups. Well done Badgers! We also celebrated the attendance for this term: 39 children had 100% attendance which is amazing. Thursday was Christmas party day. In the morning the children made their party hats and watched part of their Nativity DVD. The party lunch was a huge success, yummy pizzas from Pappa Johns courtesy of the PTA followed by yule log. In the afternoon they were visited by Father Christmas who had a little gift for every child. We finished the afternoon with singing, dancing and party games. The classes continued to be busy this week too. They all made lovely Christmas cards and Year 1 and 2 finished their moving vehicles as part of their topic work. That brings me to the end of this term. I wish you all a wonderful Christmas break and look forward to welcoming you back in January for another fun-filled term.
