From Miss Beeks

- ♦ **Emmie**, for outstanding effort in her work last week.
- ♦ **Ollie**, for his book about Peregrine falcons, topic work for this week.

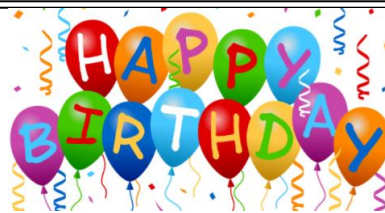

HOUSE POINTS

Totals up to Friday 8th January.

Badgers in the lead ...

Welcome to a new year, a new term and a new lockdown. We have been here before, but it seems harder the second time around. We understand the pressures another lockdown has put on you, our parents, and we are working hard to make the home learning as clear and supportive as possible. It has been wonderful to see all the work that is happening at home. This week the topic in Reception was 'Room on the Broom'. We have seen lovely photographs of potions, magic wands and witches' brooms. The children certainly look like they are having lots of fun. Thank you for supporting them in these learning activities. Year 1 have been learning about traditional tales, retelling the stories to their family members. They have been learning about addition and subtraction to 20 and remembering to use their number bonds. Lots of children enjoyed the 'draw with Rob' activity and drew some amazing pictures. They have loved drawing their houses and identifying the materials used. Year 2 have read lots of different poems around the theme of family and have even written their own poems about some very cheeky accidents. They have also been working on contractions and apostrophes for possession. In maths they have been practising their times tables. Both Year 1 and Year 2 have enjoyed learning about the invention of the telephone, drawing old telephones and making their own versions at home. They also celebrated world religion day by making cards. What a busy week! Next week we will be introducing Microsoft Teams. A letter went out this morning with login information. We will work through this change together. More information will follow soon. Have a lovely (snow-filled?) weekend.

- ♦ 10th: Ollie
- ♦ 14th: Ayla

THE WEEK IN PICTURES
