for her wonderful independent diary writing and brilliant spelling.

HOUSE POINTS

Totals up to Friday 15th May:

KINDNESS AWARD

- ♦ **Emily**, for her amazing story telling. From Mrs Bailey and Miss Douglas
- ♦ **Harry**, for encouraging his peers. From Miss Tolmie

- ♦ No birthdays this week

It is hard to believe we are at the end of the first half term and what a different half term it has been. We have had another busy week with lots of brilliant work. This week's lovely weather has been perfect for Reception's 'Great Outdoors' theme. The children have been listening to Percy the Park Keeper stories and were set the challenge of designing their own dream park. We have been amazed by their designs, pictures and models, as well as their brilliant labelling too. Well done Reception. Year 1 and 2 have been learning about famous landmarks around England. They have built edible versions of their favourite landmark and learned the traditional song "Ring-a Ring-a Roses". As part of Mental Health Week Year 1 has used the story The Making of Milton to explore what courage is and where we can get it from. Miss Tolmie has been very impressed at the effort everybody is putting into their handwriting practice and she can also see this in the longer pieces of writing. Year 2 have been reading more Anthony Browne books. This week they have read Silly Billy and made their own worry dolls. They have completed different tasks thinking about their worries and wellbeing during this time. In Maths they have been working on their multiplication knowledge and times tables. They have even had a times table rock star competition which the squirrels and badgers won.

I would like to take this opportunity to thank you all (staff, parents and pupils) for the hard work and commitment in these unusual times. I hope you have the opportunity to relax and enjoy some family time without work and home learning pressures. Have a wonderful half term. Take care and keep well.
