SCHOOL TRIP 4TH MAY

Mock Coronation

'The Big Help Out'

Making a collage of the King

Coronation cards

Creating nature art

What a lovely week we have had here at Dropmore. On Thursday we went over to St Anne's church as part of 'The Big Help Out'. The children did a great job cleaning the church grounds. The classes also took part in a mock Coronation, learning about the key parts of the ceremony. Luckily it stayed dry and they also had chance to go into the surrounding woodland and create art with natural objects. A big thank you to the volunteers who helped make the trip possible!

On Friday we held a Coronation feast and the children looked great in their red, white and blue clothes! The hall was set out like a banquet and the children made some fantastic crowns to wear to the feast! The hall was decorated beautifully with bunting made by all the classes, collage work from their trip the day before and a fantastic King's Guard made by Reception! Lots of other great learning went on this week. Reception have enjoyed reading *The Kings Pants* and learning about King Charles and his family. In maths they have been exploring shapes and playing dice games with Miss Douglas to work on their addition skills.

Year 1 have built a garden centre on the patio, and have been busy making "junk" flowers to role-play buying and selling. Next week they will be looking at common garden and wild flowers: any pictures from your own garden would be appreciated.

Year 2 have been testing the best conditions for plants to grow in science. They have been intrigued by their observations so far. We shall see what happens next week!

We hope you have another great bank holiday weekend and see you on Tuesday!
