- ♦ **Tobin**, for independently writing his Supertato book.

- ♦ **Diya, Sohani, Imogen**, for helping me organize the English books.
From Mrs Streete
- ♦ **Aston-James**, for helping me with my laces.
From Alfie

ASSEMBLY CERTIFICATE

Reception: Alexander, for working really hard in his handwriting.

Year 1: Mia, for her super effort in all learning.

Year 2: Lana, for fantastic effort in all her learning and fantastic support for her classmates.

Year 2: Aston-James, for great focus during our sewing lesson.

Welcome back to the final half term of this school year. A very busy one indeed! It was lovely to welcome the children back on Tuesday and great to see so many of you continue to use the Park & Stride option. The Walk to School cup has arrived, I wonder who will win it this term!

It has been a busy week in the classrooms. Reception have been learning about doubling in maths. The children have been playing many fun doubling games and creating special doubling butterflies with paint! This week for English they have practised their sentence writing, trying to remember to use capital letters and finger spaces. The class teachers have been amazed at their progress in writing - well done Reception! In English Year 1 have started their unit on Superheroes. They have started by reading 'Superheroes: All Sorts', recognising all the everyday superheroes in our lives. In maths they have been exploring quartering objects, shapes and numbers. They have been very good at remembering that fractions must be of equal value. Year 2 have enjoyed learning all about a new author, called Anthony Browne. They have enjoyed reading lots of different books by him and have written some lovely book reviews. In maths they have been practising our measuring skills and have learnt how to use different rulers accurately. They have also used their skills to solve calculations using the four different operations. In PSHE they have learnt the names of different body parts and some differences between boys and girls. The school was a hive of activity on Thursday afternoon, with so many volunteers helping the children with their sewing projects. As part of our topic 'Dropmore' we had a wonderful afternoon of sewing. All three classes joined in and started sewing their own square with their name and design. They are not yet finished but already look great! We are looking for any volunteers over the next two weeks to come in at any time to do some more sewing with some children. Thank you to everyone who helped. I hope you enjoyed it as much as the children did! Have a wonderful weekend!
