- ♦ **Diya**, for helping me do up my coat.
From Eloise

- ♦ **Caoimhe**, for fantastic number sentences.
- ♦ **James**, for showing courage and challenging himself.
- ♦ **Sophia**, for being a First Aid champion.

It has been by far the most exciting week of the term. On Wednesday afternoon we had our annual Sports Day. We were sad that you, our parents, were not allowed to watch, but to make up for that we have videoed all the races and uploaded them onto your Teams posts. I have also updated our website with photographs. Do have a look! Every year the results are very close and this year was no different. But there can only be one winner and this term the Sports Cup goes to the Badgers.

We had some very special visitors today: Nick from Bug-Fest and his selection of (extreme) bugs. Nick spent 1 hour with each class teaching them about his weird and wonderful collection, giving the children (and brave staff) opportunities to hold some of them. I will be updating the website with a recount of the day and lots of photographs soon, so keep checking. The children loved it! Thank you so much to the PTA who funded this event.

It has been a great week in class as well. There has been much excitement in Reception as they have been given some new items for their outdoor area! The new mud kitchen has proved very popular, and this week the children set up a wonderful restaurant alongside it selling grass and pinecone soup! We also have new ribbons, dancing scarves and pom poms for the stage area and have used them to make up some wonderful dance routines. Year 1 has kept busy recognizing, describing and comparing the value of cash, and applying these skills in our weekly Dropmore Shop. Year 2 enjoyed writing their own stories based on Anthony Browne's book 'The Tunnel'. They are creating their own books to publish. They have also been focused on learning their times tables and are becoming increasingly confident with them.

A busy week ahead. We are so excited to welcome you next week. More information will follow on Monday. Please keep your fingers crossed for nice weather. Have a nice weekend.

- ♦ No birthdays this week.
