- ♦ **Amina**, for asking how everyone is on the class stream. From Miss Beeks
- ♦ **Maddy**, for her lovely poem she shared with the class.
From Miss Beeks

We have loved welcoming back so many children this week. For a summary of the first week back in pictures, please [click here](#) to go to the website news update.

The Reception children have settled in so well and had such fun catching up with their friends. The theme in Reception this week has been 'Bubbles'. The children imagined that they were inside a floating bubble and wrote about where it would take them. They have also been exploring weight and learnt to use the words 'heavier' and 'lighter' when comparing objects. Popping bubbles was of course one of the children's favourite activities and at home they have been making their own bubble mixture and bubble wands. Some children in Year 1 have been back at school and, although nervous to start, have had two brilliant days with their teachers. They have named their 'bubble' teams as Lear-bles (learning bubble) and Super Bubble and have left each other messages on their display boards. At home they have continued practising their handwriting, key skills in maths and practised comprehension. Year 2 have been learning all about position and direction and have impressed Miss Beeks with their work. In English they have been writing their own version of Little Red Riding Hood, with a few changes to the characters and settings. They have also started some preparations for the end of Year events. As part of our topic 'We are Britain' Year 1 and 2 have been exploring the mystical land of Wales. Inspired by the national animal, the Red Dragon, they have made dragons out of boxes and spoons, feasted on Welsh Cakes and painted daffodils. What a wonderful week!
