Headteacher: Mrs G Streete

5th January 2021

Dear parents,

You will have heard the announcement from Boris Johnson last night that we are now in a full lockdown until February Half Term.

We will continue with the plans for the first two weeks as explained in my letter and the class teacher letters yesterday. I am pleased that most of you have been able to come this morning to collect the home learning packs and I hope they will help you through this period.

Behind the scenes we have been working on a new online learning platform by signing up for Microsoft Teams as a whole school solution. We will now accelerate the implementation of this and hope to have it ready to go in 2 weeks. This will give us a safe, secure and GDPR compliant online learning platform, allowing us to introduce some face-to-face online learning sessions. It will mean a change for all staff and parents, but we will work through this together and overcome any possible teething problems. We will aim to start this transition from Monday 18th January. More details will follow soon.

As before, we are still here if you need any help or support. Please contact the teachers directly via google classroom (Year 1 and Year 2) or using tapestry@dropmore.bucks.sch.uk (Reception) or call the school office (01753 644403) or email me directly on headteacher@dropmore.bucks.sch.uk

It has been lovely (but heartbreaking) to see some of the children this morning. We miss them already and look forward to the day we can open the school again and be together. But until that time, please be safe and look after each other.

Kind regards,

Mrs Streete
Headteacher
