What an eventful week!

I am sure you all agree that the children were brilliant at our Nativity performances. It doesn't matter which one you attended, all three performances were fantastic. Thank you to Lana's dad for offering his time, equipment and expertise to record all 3 performances. We can't wait to see the recorded version of the play. After a slow start and early lunch on Wednesday we went on the coach to Norden Farm in Maidenhead to see The Bear. A lovely story, brilliantly performed at a suitable level for our young children. We hit a bit of traffic on the way there, but made it just in time for the start of the performance. On behalf of the children a big thank you to the PTA for a lovely afternoon! On Thursday we had a slightly earlier jacket potato lunch, because we needed to get ready for the Inter House competition. The children were split in 4 teams and the classrooms and hall were transformed for a carousel of 4 activities: Fridge Raid, Peg Patterns, Cup Stacking and Dino Transfer. The school was a hive of activity as the children competed for their House. While we were waiting for the scores to 'be verified', the children were treated to a hot chocolate. The scores were very close, but there can only be one winner. This term the Sports Cup was won by the Squirrels. Well done!

And that brings us to today, another exciting day! It has been so lovely to see all the different Christmas jumpers and to raise some money for Save the Children in the process. And if that has not been enough, the children are enjoying the Christmas movie night organized by our lovely PTA. Thank you so much! Have a wonderful weekend.
