CELEBRATIONS

Tamanna - Reception

For super determination in her number work.

Hunter - Reception

For amazing effort with his handwriting.

No Kindness awards this week

- ♦ **Emmie**, for brilliant and neat work in maths.
- ♦ **Arjun**, for designing a wonderful traffic sign for road safety week.

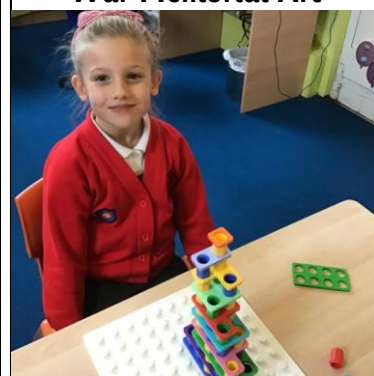

- ♦ 22nd: Keira

The stage has been set up, the costumes have been washed and ironed and the props have been dusted off. We have started the rehearsal of our nativity play in earnest, in preparation for the recordings to start next week. If your child has a speaking part, please can you practice this weekend, focusing on reciting the lines loud and clear and without hesitation. But that is not all we have done this week. Reception have been learning all about Africa as part of their topic work this week. They have been on safari and written about different animals such as African elephants and giraffes. They have also been trying really hard with their number writing and we have been very impressed by their determination and perseverance in this. Year 1 has had a very exciting week in English. They have been working towards making a class, non-fiction book on vehicles. The children started the week by drawing the vehicle they thought up and labeled it, then they wrote a couple of sentences in a text box, a fun fact and a title. Finally, they practised making a glossary, a contents page and a front cover. These will all be compiled to make a lovely book for the children to read and share. In maths they have talked about place value in teen numbers and practised techniques to find one more and one less. Year 2 have been learning all about money. They have been learning to recognise the different coins and their value. They have been adding money using pounds and pence. In English they have continued to learn about different traditional tales and have been comparing stories by looking for similarities and differences. We have a few busy (and festive) weeks ahead. Have a cosy and relaxing weekend!

ROAD SAFETY

We have received yet another message about dangerous driving and parking situations outside school.

For your own safety and the safety of our children:

- Please do not use the school entrance or the roads nearby for 3-point turns.
- Please do not park on the bend, the yellow zig zag lines or in the disabled parking bay.
