Thank you to all the parents who attended our 'meet the teacher' session on Tuesday. We hope you found it useful and liked looking around the classroom with your child.

In Reception this week, the children have been learning the poem *Chop, Chop!*. The class have been saying it, copying actions to it and performing it to their friends. They are well on their way to achieving their 'proud performer' goal! The children have also read the *Colour Monster* this week, they discussed different emotions you feel and made their own colour monsters.

Year 1 have had a wonderful time using their imagination inspired by the book *Not a Stick*. They have practised writing lists and captions. In maths they have been using their knowledge to count within 10 to tackle reasoning and problem solving activities.

Year 2 have been writing their adventure letters to their teacher and have done some amazing writing! In Maths the class have been learning about partitioning tens and ones in different ways and about missing numbers on number lines.

KS1 have continued to read *Around the World in 80 Days*, learning about the continents and oceans, and human vs. physical geography. We hope you all have a lovely weekend and look forward to seeing you all on Monday.
