12th Mariella
19th Oliver
21st Brontë
25th Arjun
26th Lana

And just like that another school year is over. A school year like no other where we all have had to adapt to a new normal, but have also been reminded of the important things in life. I would like to start by thanking you, our parents, for your support and trust throughout this uncertain time. It has been wonderful to welcome so many of our children back to school. School has continued to be a safe and happy place for them and they have all loved it. I would also like to thank staff for their endless energy, support and commitment and all the work they have put in to make this a successful year.

This last week of term has been a busy one, like all others, particularly for our Year 2s. We have been dancing, singing, playing, laughing and crying with them. It is always a sad time when we have to say goodbye to our Year 2s, but it is also a celebration of how much they have grown (both in size and character) and of all they have achieved. Miss Beeks has worked extremely hard to ensure they had a special end to their time at Dropmore. Thank you so much, Miss Beeks!! Our other 4 bubbles had a wonderful last week too, combining some fun road safety activities with our bikes on the playground. They have also completed transition activities in preparation for September. We finished the year as normal, with all children 'sliding into summer'.

Finally, on behalf of all the staff I would like to thank everyone for the lovely cards, the kind words and the generous gifts. We wish you all a well-deserved and relaxing summer holiday, without google classroom or tapestry 😊. We look forward to welcoming many of you back in September. Take care and keep well.
