Key Instant Recall Facts

Reception – Autumn 1

Say the number names in order to 5

Building confidence in mathematics is crucial so be pleased with their efforts and always encourage with praise. Make sure these practice sessions are enjoyable - if your child is really not in the mood it is the wrong time to be practising!

Activities

Songs and rhymes- like - 'One, two, three, four, five, once I caught a fish alive' and 'One man went to mow'.

Matching and Ordering – Use number cards 1-5 to order and say the numbers in order

Fun and Games :

- Use numbered finger puppets.
- Which number comes next?
- Blow out five candles in a row, counting as you go.
- Count up the stairs.

Key Vocabulary

One two three four five next after before

Top tips for parents

- Miss out a number when counting to see if your child can spot your 'mistake'.
- Use everyday opportunities to count whenever you can.
- Do alternate counting with your child.
- Say a number; your child says the next number.

Key Instant Recall Facts

Reception – Autumn 2

Say the number names in order to 10

Building confidence in mathematics is crucial so be pleased with their efforts and always encourage with praise. Make sure these practice sessions are enjoyable - if your child is really not in the mood it is the wrong time to be practising!

Activities

Songs and rhymes- e.g. One, two, buckle my shoe, or have a go at making up your own rhyme to help to remember the order.

Fun and Games :

- 'Guess my number, if comes after 3'
- Play hide and seek with the finder counting slowly or in a silly voice.
